Speaker
Dato' Ghazali Bin Dato' Yusoff

Dato' Ghazali has been a board member of Malaysian Industrial Development Authority (MIDA) for the last 20 years. He is currently the Vice President of the National Council of Welfare and Social Development of Malaysia and the President of the Malaysian Council for Rehabilitation and the Honorary Executive Director of the Business Council for Sustainable Development Malaysia of which he is also the founding member. He now heads various committees, which are focused on Sustainable Development and is an active member in Associations relating to welfare of the marginalised and disabled.

Ethics and technology are the two most important topics in our daily life, especially in this 21st century. How do we adhere to our ethics and principles in order to compete with the rest? Dato' Ghazali will share his extensive views on ethics and what are the challenges face by the community in this technology driven century.

A new experience in learning: Learning while Cruising. Come and listen to this exhilarating talk by Dato' Ghazali while cruising along the beautiful MINES Lake. You will enjoy the breathtaking lake view and the lush greenery landscape. A perfect getaway to relax and stimulate your mind, be sure not to miss it!

*Ensure you come
ON-TIME (as the ship
will promptly leave the
jetty at 8:30am) to join
us for a light breakfast
& seminar talk around
the MINES Lake!*

Learning while Cruising!
