OXCEL NETWORKER: **Medan Leadership Talk & Business Networking**

We are pleased to invite our Members to Network with the business people of Medan at this event.

The delegation will be headed by Michel Gagne who as the Asia-Pacific Director of OXCEL shall give a brief talk on the OXCEL 9 Qualities of Leadership. This talk sheds light on leadership styles of notable leaders in the world and around the region.

Members and guests will be invited to share their OXCEL experience and also to talk about the business that they are currently in. It is from here that business relationships between members from OXCEL Asia-Pacific with members from Indonesia (Medan) will be established.
